Skills and Talents
Linguistic Ability

Italian	English	French
Mother Tongue	Fluent spoken and written	Spoken and written at a basic level

Technical Ability

Direction Expertise: Self-shooting on digital supports (Mini DV, DVCAM, HDV) and Experienced in film supports (Super8, 16mm, 35mm)
Editing Tools: Final Cut Pro, Premiere Pro, Avid Adrenalin
Compositing Tools: After Effects, Combustion, Illustrator, Photoshop
IT Skills: Outlook, Explorer, Office, File Maker Pro (on Windows and Mac-OSX)

Relational Ability

I like people and building cooperative and long-lasting relationships. Respect and trust are the main resources to grow to get positive results out of a joint project, inside and outside work. Although I feel at ease with working independently and using my own initiative, I do find teamwork very stimulating and enriching. Sociability and flexibility make me a valid team player and a pleasant person to work with.

Organizational Skills

Getting the best out of the available means and schedule, starting from client's needs. Conscientious and responsible, I'm comfortable in prioritising, reaching deadlines and performing under pressure, without losing a clear-head approach and some sense of humour. Running my own business has helped me to refine my skills in optimizing budgets and talents of all the players involved in the production process.
